NHS South Tyneside CCG were also advised on 25 October 2016 that this individual had requested to have no involvement should the North East Ambulance Service wish to submit a bid for the service and they submitted a formal request to be segregated from the successful bidder's bid team and this was commensurately managed by the CCG in accordance with the Standards of Business Conduct and Declarations of Interest Policy. The CCG took all necessary steps to maintain the integrity of the process and the probity observed by NHS South Tyneside CCG adhered to all measures outlined within Regulation 24 to maintain this moral stance and ensure a fair, open and transparent procurement process was maintained.
